

Arndy,

We went with \$300.
instead of \$475. Because
you deserved it. I can't
even put into words, how
surprised my sister, brother,
and I were when we
walked up to the Burial
Site. There were tears, happy
tears of course. It's good
to know there are still
kind and special people
in this world. If I ever
get a chance, I will

definitely give your name
and number to someone
who needs your services.

Well done, Good and
faithful servant!

Sincerely,

Paula
Dunbar
